Government Kanyakumari Medical College Hospital Launches Vaso Meditech Enhanced External Counter Pulsation treatment for Cardiac Patients

Press Release: Chennai 08th Aug 2015.

(Vaso-Meditech Pvt Ltd, exclusive distributor and clinical support for EECP in India)

Enhanced External Counter Pulsation treatment is launched on 8th August 2015 in the Kanyakumari Government Medical College Hospital by Director of Medical Education Dr.S.Geethalakshmi in the presence of Kanyakumari District collector

Mr.Sajjansingh R Chavan IAS, Former Health Minister of TamilNadu Thiru. Thalavai Sundaram, Dean Kanyakumari Medical College Hospital Dr. S.Vadivel Murugan and Chief Advisor, Vaso-Meditech Pvt Ltd Mr. Bindhu Madhavan IAS, (Retired Additional chief secretary to the Gov of TamilNadu)and Director of Vaso-Meditech Pvt Ltd Dr.S.Ramasamy. This is part of the TamilNadu Government initiative to provide EECP treatment in all TN Government Medical College Hospital covered under Chief Minister Comprehensive Health Insurance Scheme.

Enhanced External Counter Pulsation (EECP) is a non-Invasive treatment for patients with obstruction in coronary artery, which is supplying heart muscles and for patients with poor heart pumping function. When compared to other cardiac treatment like Bypass surgery and angioplasty this treatment is completely non-invasive, safe, and patients need not get admitted in the hospital or expose to risk of intervention. In the EECP treatment pressure was given in the lower limb one hour per day for 35 days based on patients ECG. This would improve the blood flow to the heart by forming new vessel around the blocked artery naturally without surgery.

Director of Medical Education Dr.S.Geethalakshmi in the presence of Kanyakumari District collector Mr.Sajjansingh R Chavan IAS, Former Health Minister of TamilNadu Thiru. Thalavai Sundaram, Dean Kanyakumari Medical College Hospital Dr. S.Vadivel Murugan and Chief Advisor, Vaso-Meditech Pvt Ltd Mr. Bindhu Madhavan IAS, (Retired Additional chief secretary to the Gov of TamilNadu) Dr.A.Muralidharan Assistant Prof. of Cardiology KGMCH and Director of Vaso-Meditech Pvt Ltd Dr.S.Ramasamy

Kanyakumari is the Eighth Hospital in the state to start this treatment after Chennai, Coimbatore, Vellore and Salem. The program is attended by more than 200 doctors. Dr.S.Ramasamy director of Vaso-Meditech presented the project report of EECP in the inauguration function and explained the success of EECP treatment under the Chief Minister Scheme.

EECP Inauguration Function in Kanyakumari Government Medical College Hospital

EECP system along with the project cost 80 Lakh is now installed and available for cardiac patient treatment in Kanyakumari Government Medical College Hospital.

So far more than 600 patients have benefited under this treatment and are living normal life. This completely non-invasive approved EECP treatment under Government scheme is the first in India to be launched by the TamilNadu Government. This scheme will be expanded to all Government Medical college hospitals in the next 6 months.
